One Click Payments ensures your business stays efficient, secure, and customer-focused. With competitive pricing and cutting-edge functionality, it's the payment solution designed for growth-minded contractors.

### Integrated Reporting

Access all your payment insights directly within the One Click Contractor platform, eliminating the need to switch between systems.

### Flexible Payment Options

Offer your customers a variety of payment methods: onscreen, email, text-to-pay, or in-person.

### Saved Payment Methods

Securely store customer ACH and credit card information for future transactions.

### Enhanced User Permissions

Manage user access by setting permissions for specific team members, giving you greater control.

### Multi-Device Compatibility

Process payments from any device—desktop, mobile, or phone—for ultimate flexibility.

### Dedicated Support

Receive unparalleled service and assistance from One Click Contractor representatives.
